## THANK YOU, Ms. Vicki!

After 32 years serving as teacher, administrator, and most recently Director of NCS, Vicki Halpin is retiring as of the end of August, but will continue to be on campus next fall to help with the leadership transition. While we are so excited for her to enter this new season of life, we will miss the laughter, joy, and love she has brought to each of us and to the students here at Northview Christian School. When you see her tell her a big Thank You and congratulations! We are excited to announce that Mrs. Best will be stepping into the role of Director of Northview Christian School. We praise God for both of these amazing women!
