Today's Sermon

Burden or Blessing?

1 John 5:1-5

Norm Schwab, Lead Pastor

1. How can I powerfully love others well? V.2
2. Why do God's commands feel like such a burden? V.3
3. How can I overcome the pressures of the world? V.4
4. How can I practically embrace ALL of God's commands with joy?

Next Steps:

- Which of God's commands seem to be the most burdensome to you? Say it out loud; "The command of God that feels like a real drag right now is... And I am feeling that because I'm believing a lie? Write down the lie that the world is whispered in your ear. (I believe this pleasure will give me more satisfaction than following God's truth. I believe I will miss out. I don't think God will provide for me what I need. I have a better perspective on this than God does.) Now confess it before God. Ask that God will increase your faith and increase your love for Him and spiritual eyes that see Him as more valuable than what you are being attracted to. Ask God to transform your affections by faith.
